Ways to Spend Fate Points

- Increase the number of dice in a single check (before making it) by one
- Reroll all dice in a single check
- Remove any one Bad Status you're currently affected by

LOG HORIZON TRPG CHEAT SHEET

VERSION 2014/09/23 - Original Japanese version by @silverrin

Status Effects

Common Removal Conditions

M+: Can be removed with a Major Action
M-: Can be removed with either a Major or Minor Action
MP: Automatically removed at the end of the character's Main Process
T: Automatically removed when triggered
All Combat Statuses can be removed with an Instant Action

Life Statuses (LS)

Fatigue: [Maximum HP] - [Fatigue Rating]
Weakness: HP Damage + [Weakness Rating]
Incapacitated or **Post-Action**: Cannot act
Dead: [Adventurer]s are revived at end of scene with 1 HP and [Max HP-1] Fatigue

Combat Statuses (CS)

Regen: Recover [Rating] HP during Cleanup
Cancel: HP Damage - [Cancel Rating]
Barrier: Damage is taken to the Barrier instead of to HP. If the Barrier's Rating reaches 0, the remaining Damage is taken to HP.

Bad Statuses (BS)

Staggered (MP): Major and MP Action Checks -1D
Dazed (MP): Defensive Checks -1D
Cannot react to damage, Cannot Hinder
Rigor (M-): Cannot Move, Cannot Hinder
Confused (M+): All Checks -1D
+1 Hate at beginning of Main Process
Decay: Take [Rating] Direct Damage during Cleanup
Pursuit (T): Take [Rating] Direct Damage on failed Dodge Check
Afflicted (M-): Cannot clear other Bad Statuses
Overconfident: Rolling 1 on any die causes a Fumble (Auto-removed after taking damage)

Other Statuses (OS)

Hate Top: Will take Hate Damage upon failing a Dodge Check (except from Gimmicks)
Hate Under: +2 Bonus to Dodge Checks (except against Gimmicks)
Swimming: All Checks -1D, Cannot Hinder characters who are not also Swimming
Flying: Can ignore Terrain Props, Cannot be Hindered by characters who are not also Flying
Hidden or **Concealed**: Cannot be targeted by any other character
Absent From Scene: Cannot act or be targeted by any other character
